① Your Honor,

I Montae D. Jacobs indicted with Case 2:22-cr-00091-LA USA; am writing you regarding a motion filed by the government, which asks that I only have contact to with my attorney, due to me having illegal and inappropriate communication while in jail.

I ASK THAT THE MOTION BE DENIED!

I also exercised my beliefs on prostitution purposely to PROVE that a female interest becomes consensual regarding selling sex! The same harmless conversation(s) the government has been monitoring, is exactly the behavior I conducted in society, contrary to the

I'm also striving to create awareness and start
